

COLLEGIATE MANDATE

The purpose of the MADE Men Collegiate mentoring program is to provide a space where Collegiate African American males can mentor and cultivate each other and mentees through the Collegiate MADE Men Mentee program on campus; as a result, supporting the mission and endeavors of the MADE Men Corporation.

The MADE Men Corporation does not support hazing to gain affiliation or membership and is not fraternal in nature. Representatives must graduate from the Collegiate Mentee program to become an Active Member/Representative. Once an Active Representative is granted membership by the MADE Men Corporation, Representatives are required to maintain the Mission, Principles, Values, Constitution, and Protocol of the MADE Men corporation. Active Representatives of the collegiate MADE Men House must assist the MADE Men organization (Parent organization) in all its programmatic initiatives.

The right to use intellectual properties, trademarks, accounts, or gain reports must be approved by the MADE Men Corporation. The Collegiate Houses of MADE Men are not allowed or permitted to operate as an autonomous group that operates independently from the MADE Men Corporation that oversees and approves the formation of the program. All Collegiate Houses must abide by the MADE Men Corporation's constitution, protocol, bylaws, and guidelines to remain Active.

The execution of the Collegiate House of MADE Men is important and does require the Principles and Targets set by the MADE Men Corporation to be maintained. The Collegiate House of MADE Men must be a productive, supportive, and a cooperative extension of MADE Men, its community, and campus. The business of MADE Men will now and forever be done according to the Order of MADE Men business, which is located in the Parliamentary Procedure of the MADE Men Corporation constitution. The Parliamentary Procedure is privy to all Active Representatives of the MADE Men Corporation.

Any violation pursuant to this collegiate mandate will be met with the dissolution of the collegiate house or termination of Membership from the MADE Men Corporation. All inactive Collegiate Houses and Representatives will be served with a Cease and Desist. All campuses that continue to support inactive Collegiate Houses and Representatives after advance notice will also be served with a Cease and desist of all use of MADE Men's intellectual properties, trademarks, reports, or accounts. Discretion of acknowledging any Violation pursuant to the collegiate mandate will be given to the MADE Men Corporation.
